摘要

Location: Prague, Czech Republic; Barcelona, Spain; Hyderabad, India

The Information Security Governance team is looking for a Data Protection Specialist to join the team! This position will support the Novartis Crown Jewel program to safeguard critical Novartis information, and enable risk-based decision making and safeguard both patient and Novartis information.

This is an entry level position intended for a professional with junior experience that will challenge and grow their data protection and risk management skillsets.

About the Role

Your responsibilities include, but are not limited to:

- Analyse information risk data, summarize key findings and recommendations, create and monitor key performance indicator trends, prepare reporting for leadership teams.
- Maintain portfolio of Crown Jewel application - monitoring & reporting.
- Provide training and guidance on data protection practices and information risk management to employees.
- Leverage strong PowerPoint and Excel skills to manage data and present risk analysis findings to key stakeholders in a clear and actionable manner.
- Collaborate with cross-functional teams to ensure data protection controls are implemented.
- Conduct assessments and collect data to ensure appropriate data classification, labelling and adequate protection measures targeting

What you will bring to the role:

- 2-4 years of experience in IT or IT Security
- Practical (hands-on) experience with risk management, IT consulting and/or IT audit
- Strong analytical and problem-solving skills, as well as management reporting experience.
- Excellent communication skills and stakeholder management, with ability to articulate complex risk scenarios to technical and non-technical stakeholders.
- Ability to work independently, take ownership on a task and deliver through completion, as well as good teamwork and collaborative approach
- strong interest in risk management and information security, with curiosity and willingness to grow and develop within the team and Novartis

Desirable:

- Professional information security and/or risk management certification (e.g. CISSP, CISM, CRISC, Management of Risk, etc.) is a plus.

Commitment to Diversity & Inclusion:

We are committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

You ' ll receive (CZ only):

Monthly pension contribution matching your individual contribution up to 3% of your gross monthly base salary; Risk Life Insurance (full cost covered by Novartis); 5-week holiday per year; (1 week above the Labour Law requirement) ; 4 paid sick days within one calendar year in case of absence due to sickness without a medical sickness report; Cafeteria employee benefit program - choice of benefits from Benefit Plus Cafeteria in the amount of 12,500 CZK per year; Meal vouchers in amount of 105 CZK for each working day (full tax covered by company); Transportation Allowance; MultiSport Card.
