About the Role

Key Responsibilities

- Hands-on experience in implementing and configuring Salesforce Marketing Cloud modules, including Journey Builder, Automation Studio, Cloud Pages, Contact Builder, and Email Studio.
- Act as an Email Specialist and SFMC Admin, managing campaign execution, customer

journeys, and data model alignment to business needs.

- Translate business goals into scalable technical solutions in SFMC, including AMPscript, SQL queries, and automation workflows.
- Collaborate with cross-functional teams to understand marketing objectives and transform them into meaningful customer experiences.
- Ensure platform stability and adoption through best practices in governance, quality checks, and user support.
- Coordinate with global business teams and stakeholders to gather requirements and deliver SFMC-based marketing solutions on time.
- Keep up with the latest features and roadmap updates from Salesforce Marketing Cloud to continually enhance campaign performance.

Essential Requirements

- Bachelor ' s or master ' s degree in technology, Marketing, or a related discipline.
- 4-6 years of hands-on experience working with Salesforce Marketing Cloud.
- Strong experience with AMPscript, SQL, and journey configuration.
- Proven experience in end-to-end campaign building and deployment.
- Experience with advanced modules including Einstein features, Distributed Marketing, and Mobile Studio is an added advantage.
- Familiarity with Data Cloud and Google Analytics is an added advantage.
- Understanding of marketing KPIs and ability to analyze campaign effectiveness using reporting tools or dashboards.

Soft Skills

- Joint Value Creation: Ability to collaborate effectively to create value for all stakeholders.
- Dynamic, results-oriented team player who contributes positively to team success.
- Exhibit organizational agility, creativity, strategic & strong analytical thinking.
- Excellent presentation skills and storyboarding skills.
- Excellent interpersonal and communication skills.
- Ability to operate effectively in an international matrix environment.
