- Support of master data related non-conformities (DEV, QEs, complaints) affiliated to raw materials and consumables; change evaluations, PEM support in regard to master data related topics (focus on raw materials and consumables)

- CoA creation and collection support (focus on raw materials and consumables); support of stability studies; support of master data maintenance; support master data associated troubleshooting with connected units (sampling & printer issues etc.)

#### Minimum Requirements:

- QC/ QA in pharmaceutical ind./ biotech with environmental monitoring
- Experience with GMP Procedures, Quality Assurance (QA) and Quality Control (QC) testing, Quality standards
- Technological Expertise and technological Intelligence
- Required skills: Dealing with ambiguity, able to learn continuously, collaborating across boundaries
- English and German language required

#### Why Novartis?

Our purpose is to reimagine medicine to improve and extend people ' s lives and our vision is to become the most valued and trusted medicines company in the world. How can we achieve this? With our people. It is our associates that drive us each day to reach our ambitions. Be a part of this mission and join us! Learn more here: <https://www.novartis.com/about/strategy/people-and-culture>

#### You ' ll receive:

You can find everything you need to know about our benefits and rewards in the Novartis Life Handbook. <https://www.novartis.com/careers/benefits-rewards>

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, childcare facilities, learning and development opportunities as well as worldwide career possibilities within the Novartis group. In accordance with Austrian law, we are obliged to disclose the minimum salary as stated in the collective bargaining agreement. For this position the minimum salary is € 59.781,96/year (on a full-time basis). The actual salary will be significantly higher, as we strive to maintain a competitive position in the market and consider your previous experience, qualifications and individual competencies.

We are open for part-time and job-sharing models and support flexible and remote working where possible.

#### Commitment to Diversity & Inclusion:

Novartis is committed to building an outstanding, inclusive working environment and diverse teams, representative of the patients and communities we serve.

## Adjustments for Applicants with Disabilities:

If because of a medical condition, physical disability or a neurodiverse condition you require an adjustment during the recruitment process, please reach out to [disabilities.austria@novartis.com](mailto:disabilities.austria@novartis.com) and let us know the nature of your request as well as your contact information. The support which we can provide will include advice on suitable positions as well as guidance at all stages of the application process. Austrian law provides candidates the opportunity to involve the local disability representative, Behindertenvertrauensperson (BVP), in the application process. If you would like to request this, please let us know in advance as a note on your CV.

## Join our Novartis Network:
