

Associate Director, Rare Hematology, US Patient Advocacy

Job ID REQ-10050592

9月 05, 2025

USA

摘要

The Associate Director, Rare Hematology, US Patient Advocacy collaborates with relevant malignant and non-malignant Hematology and focused rare patient communities to understand unmet needs that inform business strategy, mobilize and empower the patient community and those who care for them to seek the best care, and reduce access barriers.

This position will require 25% domestic travel as defined by the business.

About the Role

Job Responsibilities:

- Build and maintain trusted and strategic long-term relationships with patient organizations and communities in relevant malignant and non-malignant Hematology and rare disease areas
- Identify the right patient organizations to drive strategic collaborations and partnerships that

help educate and mobilize patients to seek optimal care and elevate the voice of the patient to inform decisionmakers in the patient treatment journey, including HCPs, policymakers and payers

- Execute integrated patient advocacy strategies aligned to critical business and corporate priorities based on deep understanding of the patient/care partner experience and unmet needs
- Ensure patient/care partner insights and implications for launch and growth brands are systematically actioned across corporate affairs and with cross-functional partners
- Stay abreast of key environmental and policy issues impacting the company's ability to operate and pre-emptively drive initiatives and build relationships to shape the environment
- Monitor and evaluate performance to achieve and maintain best-in-class outcomes, while being fully compliant

Requirements:

- Bachelor's degree required
- 7+ years of experience in patient advocacy
- Prior experience in ultra-rare disease, oncology and/or hematology
- Commercial launch experience

Novartis Compensation and Benefit Summary: The pay range for this position at commencement of employment is expected to be between \$119,700 - \$222,300 / year; however, while salary ranges are effective from 1/1/25 through 12/31/25, fluctuations in the job market may necessitate adjustments to pay ranges during this period. Further, final pay determinations will depend on various factors, including, but not limited to geographical location, experience level, knowledge, skills, and abilities. The total compensation package for this position may also include other elements, including a signon bonus, restricted stock units, and discretionary awards in addition to a full range of medical, financial, and/or other benefits (including 401(k) eligibility and various paid time off benefits, such as vacation, sick time, and parental leave), dependent on the position offered. Details of participation in these benefit plans will be provided if an employee receives an offer of employment. If hired, employee will be in an "at-will position" and the Company reserves the right to modify base salary (as well as any other discretionary payment or compensation program) at any time, including for reasons related to individual performance, Company or individual department/team performance, and market

factors.
