Jordan

摘要

Deliver consistent P&O experience across the employee lifecycle, ensuring operational excellence, coaching managers, and implementing global solutions. Drive and execute P&O organization strategy, partner with business leaders, and tackle talent and organizational challenges to prepare the organization for the future

About the Role

Major Accountabilities

- Coach business leaders on people related topics
- Deliver country P&O plans and build effective partnerships across different areas of P&O for effective collaboration and execution.
- Manage employee lifecycle events: Partner, coach and manage execution of employee lifecycle events processes (Join, Work, Growth, Move & Leave)

- Advise on P&O policies and build manager capabilities for key processes.
- Drive adoption of learning and talent management tools.
- Facilitate team effectiveness interventions and talking talent discussions.
- Plan and implement organizational development initiatives to support business objectives.
- Deliver global initiatives and manage employee relations.
- Legal representation of the company in external ER cases (as appropriate) and investigate complaints, Speak Up local matters and conflicts of interest cases and follow-up on remediation/sanctions.
- Ensure compliance with local regulations and manage rewards processes.
- Support and lead hiring and university relations in alignment with country talent strategy.
- Generate and deliver P&O reports and insights.
- Execute business unit talent plans and provide project management support.
- Contribute to planning and implementing organization changes and transformation
- Drive and integrate Culture and DE&I in the flow of work.
- Drive local adoption goals, objective-setting, check-in, reviews, PIP on WD
- Manage external certifications in alignment with country strategy
- Execute country rewards processes, advise managers on planning process, initiate & implement off-cycle adjustments.
- Support benefits scheme re-evaluation and implementation.
- Implement global initiatives incl. validation and remediation.
