### 摘要

En l í nea con la estrategia general del producto, el Asesor M é dico es responsable de apoyar el dise ñ o, la implementaci ó n y la ejecuci ó n de los planes de Asuntos M é dicos para el Á rea de Terapia asignada, proporcionar informaci ó n cient í fica, ayudar a dise ñ ar y organizar estudios cl í nicos, construir un di á logo educativo con los KOL y las partes interesadas reguladoras.

### About the Role

#### Key Responsibilities:

- Ensure medical enquiries are responded to in a high quality, timely manner, and in accordance with applicable standards; establish response documents for frequently asked questions.
- Provide medical/scientific input into the development and execution of clinical trial or clinical research related activities, including initiation and oversight of clinical studies / clinical research within the respective therapeutic area.
- Support country strategy for Non-Interventional Studies/Investigator Initiated Trial activities.

- Coordinate review and approval of medical materials and locally developed promotional materials; ensure medical materials provided from global or region for partner engagement and events are tailored to local needs and reviewed/approved per local/P3 guidelines.
- Ensure medical insights are provided to cross functional groups, including, but not restricted to: Pharmacovigilance, Regulatory affairs, Market Access, QA, Commercial teams, Brand team and others.
- Responsible for risk identification and assessment, mitigation planning as well as implementation and monitoring of internal controls within the area of responsibilities.

#### Essential Requirements:

- University degree in life science is mandatory, physician (MD) specializing in internal medicine or rheumatology is highly desirable
- Validated experience in Medical Manager or Medical Lead roles, preferably within the pharmaceutical industry working with Immunology products for multiple countries
- Partner engagement
- Proficient in English & Spanish
- Cross-functional collaboration and leadership
- Strategic mindset / agile learning
- Availability to travel up to 50% of the time across the region
