

Postgraduate/Student Health Safety Environment

Job ID
REQ-10054174

6月 05, 2025

Switzerland

摘要

At Health - Safety - Environment (HSE), we are looking for a motivated and committed intern from July 1, 2025 for at least 6 months, who wants to gain insight into HSE processes at a production site and actively support us.

About the Role

At Health - Safety - Environment (HSE), we are looking for a motivated and committed intern from July 1, 2025 for at least 6 months, who wants to gain insight into HSE processes at a production site and actively support us.

Preferred start date: asap

Latest start date: August 1, 2025

Duration: min. 6 months

Languages required: German and English

Key responsibilities:

- Support in health risk assessments at the workplace
- Support in internal HSE relevant programs and training, as well as general health, safety, and environmental topics
- Conducting occupational hygiene measurements across the entire site (noise, light, exposure measurements, and fit-test training (seal checks of respiratory masks))

Essential requirements:

- Education: Bachelor/Master Student or recent postgraduate in health protection, natural sciences or technical fields
- Languages: German and English
- Open communication and commitment
- Very good general computer skills (especially Microsoft Word & Excel)

Please submit a cover letter that includes your motivation for the position and from when you will be available. Thank you.

Accessibility and accommodation:

Novartis is committed to working with and providing reasonable accommodation to all individuals. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in order to receive more detailed information about the essential functions of a position, please send an e-mail to diversity.inclusionch@novartis.com, and let us know the nature of your request and your contact information. Please include the job requisition number in your message.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives.
