摘要

Are you ready to take the lead in shaping strategic brand launches and driving Novartis' next wave of innovation? We ' re looking for leaders who excel in collaboration, strategic planning, and customer-focused execution to join our team.

As Head of RLT, you will play a key role in developing and implementing cross-functional strategies for assets moving from Global to International TA. Working on early brand plans and turning them into tailored, competitive launch strategies, you ' ll lay the groundwork for successful market introductions that support Novartis ' growth on a global, regional, and local scale.

About the Role

- Lead the planning and execution of high-impact launches, building continuous collaboration across divisions and markets to ensure success.
- Drive the growth of RLT by strategically managing product lifecycle, launching new products,

and establishing effective partnerships.

- Shape market-leading strategies and campaigns tailored to major markets, ensuring alignment with global and regional objectives.
- Build enduring relationships with key stakeholders, including physicians, KOLs, payors, and specialty pharmacies, while delivering exceptional customer experiences.
- Monitor market trends and product performance, adjusting strategies in real-time to maintain competitive advantage.
- Partner across teams to develop agile, customer-led, digital solutions tailored to the dynamic healthcare environment.
- Accelerate salesforce capabilities, optimize performance, and deliver innovative commercial strategies to thrive in evolving markets.
- Work alongside global, regional, and country teams to forecast, assess, and manage product portfolios, in-licensing opportunities, and lifecycle plans.

What you will bring to Novartis:

- Proven experience with P&L accountability paired with strong leadership centred around curious, inspired, unbossed and integrity.
- Deep understanding of healthcare sector dynamics, including key market trends and priority disease areas.
- A track record of strategic success in product launches, lifecycle management, and customer engagement initiatives.
- Inspirational leadership with advanced skills in negotiation, asset management, market access, and cross-functional collaboration.
