

## Pricing & Contracting Analyst

Job ID  
REQ-10056284

7月 08, 2025

Canada

### 摘要

Location: Montreal/Toronto, #LI-Hybrid  
Temporary position : 12 months

Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

Pricing & Contracting Analyst

100% Access! As part of the Novartis Value and Access (VA) you will be proud to contribute to enable broad and timely access to all patients that need a Novartis product for their health and wellbeing.

Be part of a dynamic team who values cross-functional collaboration, knowledge sharing and continuous learning. Work closely with the Pricing and Contracting team supporting the broader Novartis Value and Access department and contribute directly to making innovative medicines available for patients in need.

## About the Role

### Key responsibilities:

- Supports in the execution of the country ' s overall pricing strategy, including discounts, rebates and other pricing mechanisms
- Assist with the management of request for proposals (RFPs), including tenders and related submissions
- Reviews product listing agreements for risk mitigation for the entire Novartis portfolio
- Review and validate invoices related to rebates
- Maintains price maintenance in relation to all list prices and contract price/rebate modifications in system
- Supports on VA business cases, projects, reports, dashboards, ad-hoc requests as required
- Supports in maintaining audit, SOP and training compliance

### Essential Requirements:

- Minimum 2 years experience as an analyst (market analysis or business planning experience is considered an asset.).
- Curiosity, operational excellence, agility, innovation and communication skills
- Business acumen and strategic mindset.
- Strong Excel capabilities, proficient in Word and PowerPoint

### Desirable Requirements:

- Understanding of the Pharmaceutical Industry, the Canadian Health System including Access and Reimbursement Environment
- Knowledge of SAP and Power BI

At Novartis Canada, we are determined to be a valued partner and advocate, with a deep understanding of patient needs along the entire care journey - from drug development, to diagnosis, to access and beyond. Part of the way we are doing this is by leveraging data, technology, and partnerships.

Research & Development: we focus on four core therapeutic areas: Cardiovascular, Renal & Metabolic, Immunology, Neuroscience and Oncology. We also develop and deliver treatments through other promoted and established brands, which today are helping millions of patients. Over the last three years, our average annual research and development investment in Canada was over \$30 million, and we conduct clinical trial research in every region throughout Canada.

Commitment to Diversity and Inclusion: Novartis is committed to building outstanding, inclusive work

environment and diverse team ' s representatives of the patients and communities we serve.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients ' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>
