Location: London (The Westworks), United Kingdom (3 days per week on-site)

Join our RA Portfolio and Strategy Platform to drive the digital transformation of Regulatory Affairs. In this role, you ' ll lead technology projects, ensuring alignment with regulatory requirements and strategic goals. You ' ll act as a key liaison between IT, business teams, and stakeholders—managing project plans, risks, and outcomes to deliver impactful results.

About the Role

Key responsibilities:

- Lead cross-functional project teams to deliver RA technology initiatives on time and within budget.

- Develop and manage project plans, timelines, budgets, and resource allocations.
- Coordinate project kick-offs, define objectives, and ensure alignment on deliverables.
- Monitor progress, track KPIs, and manage risks and mitigation strategies.
- Provide regular updates to stakeholders and the Portfolio Director on project status.
- Act as the main liaison between IT, business teams, and external vendors.
- Ensure stakeholder engagement and manage expectations throughout the project lifecycle.
- Support IT integration and ensure alignment with regulatory and business needs.
- Drive continuous improvement by identifying process enhancements and adopting best practices.
- Stay current with industry trends and leverage data insights to improve project outcomes.

Essential Requirements:

- Strong background in cross-functional project management, ideally within pharma or life sciences.
- Solid understanding of IT systems and terminology used in the pharmaceutical industry.
- Proficient in project management methodologies, tools, and best practices.
- Skilled in risk management, problem-solving, and strategic decision-making.
- Experience working with IT teams and external technology vendors.
- Ability to assess project budgets and resource needs effectively.
- Excellent communication skills for both technical and non-technical audiences.
- Strong organizational and time management abilities in dynamic environments.
- Analytical mindset with a focus on continuous improvement and innovation.
- Demonstrated leadership in stakeholder alignment, prioritization, and risk mitigation.
