Step into a pivotal leadership role where your vision will shape the future of oncology in Mexico. As TA Head Oncology, you ' ll drive strategic launches of breakthrough oncology therapies, lead the largest Novartis Mexico team, and navigate a dynamic healthcare landscape with agility and innovation. This is your opportunity to make a lasting impact on patients ' lives while building a high-performing, purpose-driven organization. If you're ready to lead with heart, inspire change, and deliver results, we want to hear from you.

About the Role

Key Responsibilities

- Lead strategic planning and execution for oncology therapy launches in Mexico
- Inspire and manage the largest therapeutic area team within Novartis Mexico
- Drive cross-functional collaboration to ensure integrated business outcomes
- Build and sustain a strong talent pipeline aligned with future organizational needs
- Navigate complex healthcare system changes with agility and foresight
- Cultivate innovative partnerships with key external stakeholders
- Champion a culture of operational excellence and ethical leadership

Essential Requirements

- Bachelor ' s degree required
- Proven track record of inspirational leadership in complex healthcare environments
- Deep understanding of Mexico ' s healthcare system and regulatory landscape
- Over 10 years of experience in the pharmaceutical or healthcare industry
- Demonstrated success in launching and pre-launching oncology therapies
- Experience leading large, cross-functional sales and marketing teams
- Strong stakeholder engagement and access strategy expertise
- High agility and resilience in navigating change and ambiguity
- Ability to foster a culture of growth, ethics, and enterprise mindset

Desirable Requirements

- Master ' s degree preferred
- Experience across multiple oncology business units or therapeutic areas
- Exposure to regional or global strategic roles within the pharmaceutical industry
