English version:

Join the team driving the future of manufacturing! As a Process Support Unit Lead - Materials Management Department (m/f/d), you will play a key role in managing and ensuring the availability of materials for production, maintaining inventory, handling complaints, ensuring Good Housekeeping, managing waste, and providing general support for production activities.

You will contribute to the development of efficient, competitive, and compliant manufacturing processes. Your leadership skills will guide the team's development and the implementation of innovative solutions that support business goals and ensure compliance with legislation, best practices, and GMP standards.

If you're inspired by the impact you can have on the quality and success of production, this is the opportunity for you.

Key Responsibilities:

- Lead the process support team and coordinate all activities within the production unit.
- Ensure compliance with quality, safety, environmental, and GMP requirements.
- Translate strategic goals into actionable plans and manage resource allocation.
- Foster a culture of autonomy, accountability, and continuous learning within the team.
- Manage HR processes including recruitment, training, coaching, and career development.
- Ensure team qualification for GMP-compliant tasks and maintain training records.
- Actively contribute to operational excellence and continuous improvement initiatives.

Essential Requirements:

- University degree in pharmacy, chemistry, or another relevant natural science field.
- Minimum 3 years of relevant experience in the pharmaceutical industry.
- Proficient in both Slovenian and English (written and spoken).
- Solid knowledge of Microsoft Office tools to support operational tasks.
- Proven leadership experience in managing and developing production teams.
- Strong understanding of GMP and compliance with health, safety, and environmental standards.

We offer permanent employment with 6 months of probation period. Submit your application with the CV in Slovenian and English language.

Benefits and Rewards:

Competitive salary, Annual bonus, Flexible working schedule, tailored to your needs, possibility to work from home, Pension scheme, Employee Recognition Scheme, Expanded program for the promotion of health in the field of physical, mental and social well-being (Well-being), Unlimited learning and development opportunities.

Commitment to Diversity and Inclusion:

Novartis is committed to building an outstanding, inclusive work environment and diverse teams' representative of the patients and communities we serve.

Accessibility and accommodation:

Novartis is committed to working with and providing reasonable accommodation to individuals with disabilities. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in order to perform the essential functions of a position, please send an e-mail to diversity.inclusionslo@novartis.com and let us know the nature of your request and your contact information. Please include the job requisition number in your message.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>
