

## Oncology Medical Affairs Lead

Job ID  
REQ-10061749

9月 14, 2025

Egypt

### 摘要

Are you ready to shape the future of oncology care? We're seeking a visionary Medical Affairs Lead to drive scientific strategy, elevate clinical engagement, and champion innovation in oncology. In this pivotal role, you'll collaborate with cross-functional teams, engage thought leaders, and ensure the highest standards of medical excellence. If you're passionate about making a meaningful impact in patients' lives and thrive in a dynamic, science-driven environment—this is your opportunity to lead with purpose.

#LI-Onsite

About the Role

Key Performance Indicators

- Adherence to Ethics & Compliance policies
- Timely and accurate reporting of medical activities
- Achievement of annual medical affairs targets
- Quality and relevance of medical insights shared
- Effectiveness of cross-functional collaboration
- Compliance in material review and approval
- Risk mitigation and internal control execution
- Responsiveness to safety and technical complaints

## Minimum Requirements

- Degree in Medicine is must (Medical Doctors).
- Minimum 3 years of proven experience in clinical research, drug development, and medical affairs.
- Expertise in Oncology is a plus.
- Excellent stakeholder engagement and communication skills.
- Familiarity with clinical trials, medical information, and compliance standards.

## Commitment to Diversity & Inclusion

Novartis is an equal opportunity employer and take pride in maintaining a diverse environment. We do not discriminate in recruitment, hiring, training, promotion, or other employment practices for reasons of race, color, religion, gender, national origin, age, sexual orientation, gender identity or expression, marital or veteran status, disability, or any other legally protected status. We are committed to building diverse teams, representatives of the patients and communities we serve, and we strive to create an inclusive workplace that cultivates bold innovation through collaboration and empower our people to unleash their full potential.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients ' lives.
