Novartis Spain is an internationally renowned pharmaceutical company, specializing in the research, development and commercialization of innovative medicines. As part of our growing activities, we are looking for a Sr. P2P Business Partner on a fix-term contract for our headquarters in Madrid. You will be supporting the business within a country with complex analysis, reporting, forecasts etc. (typically very large to large revenue) and provide expert advice within a core FRA process/ area/ technology.

About the Role

Your responsibilities will include, but are not limited to:

- Ensure the operational conversion of the Finance strategic goals within a dedicated area of

the business & supervise the performance and development of a small team of FRA specialists.

- Ensures the integrity, viability, and interoperability of financial reporting processes (Actuals, Budgets and Latest Estimates) and systems, including tax, inventory, corporate controls, and payment and purchasing data.
- Manage and operate the basic reporting processes for actuals and forecasts to agreed quality and fast close timeline.
- Provide financial accounting services and data in a timely and accurate manner, including fixed assets, cash activities and divestment activities; ensures appropriate information is provided to relevant individuals and external bodies.
- Manage audit reporting processes and support compliance for various tax related reports (i.e.: VAT, corporate tax, employee tax); provide necessary data to internal and external authorities.
- Manage and automate the provision of routine information to local users from SAP and BW, and perform 'super user' responsibilities for Finance and Controlling modules in SAP.
- Supervise the development and maintenance of current reporting systems (SAP, BW, Excel); integrate other requirements and the changing needs of the organization so that processes to report actuals, budgets, latest estimates and mid-range plans are met cost effectively and responsively.
- Prepares ad-hoc and routine 'accounting / management' information and quality financial analysis in order to support global and organization's requirements.
- Reporting of technical complaints / adverse events / special case scenarios related to Novartis products within 24 hours of receipt -Distribution of marketing samples (where applicable)

What you'll bring to the role:

Essential criteria:

- University degree in Economics, Business Administration, or Finance
- Strong experience in FRA topics within a large multinational corporation and/or a Big 4 firm, with knowledge of FRA methods and overall tax regulations
- Solid experience in Finance (E2E P2P knowledge)
- Fluency in English & Spanish

Desirable criteria:

- Exposure to pharma environment

Your benefits in joining Novartis:

- Attractive salary range
- Annual bonus
- Strong focus on your career development
- A "Quality of Work Life" approach, allowing you to propose improvements to your daily work environment

- Special attention to your work-life balance, with options such as remote working, annualized part-time arrangements, and parental leave
- Comprehensive social coverage for you and your family
- Various employee recognition programs
