Austria

摘要

Durchführung von wissenschaftlichen Experimenten oder Pilotanlagenprozessen zur Herstellung und rechtzeitigen Abgabe von Wirkstoffen (DS), Arzneimitteln (DP), Prozessen und Verfahren in Zusammenarbeit mit einem multifunktionalen Projektteam, das vom Projektleiter koordiniert wird. Beitrag zur Instandhaltung von Laborinstrumenten/-infrastruktur.

About the Role

Key Responsibilities:

- Contribute to development projects: Support our scientists in Analytical Characterization - from planning and executing experiments to analyzing and interpreting data.
- Document and Optimize: Record experimental procedures and results thoroughly and contribute ideas to enhance analytical methods and workflow efficiency.
- Data analysis and Automation: Assist in evaluating complex datasets and support the

implementation of automated solutions to improve throughput and reproducibility.

- Collaborate and Communicate: Work closely with your colleagues and prepare your results for team discussions and presentations.

Essential Requirements:

- You are currently enrolled in a Master 's program in a relevant field such as Analytical Chemistry, Biochemistry, Bioinformatics, or Pharmaceutical Sciences.
- A solution-oriented mindset and a high willingness to learn new skills and concepts.
- You have a self-driven, team-oriented work style - you take responsibility for your tasks and enjoy working collaboratively.
- Interest for or knowledge in data science, statistical data analysis, and simulation, automation and basic programming (e.g. R or Python) is an advantage.
- Proficiency in MS Office for data analysis and documentation.
- Advanced communication skills in German and English, both written and spoken.

What we offer:

- You will contribute to the optimization of meaningful analytical methods that impact the development of innovative biologics that improve patient lives worldwide.
- Work in state-of-the-art labs located in Kundl, Austria, with access to high-end instrumentation including mass spectrometry, chromatography, and biophysical methods.
- Grow as a scientist through hands-on experience in mass spectrometry, guided by experts in the field.
- Supportive, interdisciplinary team with a flat hierarchy and open communication.
- Diverse and inclusive environment that values your unique perspective and expertise.

Novartis Austria is one of the most modern and innovative manufacturing sites in the Novartis network. The sites in Tirol have approximately 3,500 employees and there are approximately 350 employees in the marketing & sales office in Vienna.

The site in Tirol is in the middle of the Austrian Alps with excellent infrastructure.

Benefits & Rewards :

In accordance with Austrian law, we are obliged to disclose the minimum salary as stated in the collective bargaining agreement. For this position the minimum salary is € 2.010,75€/month (on a full-time basis).

Commitment to Diversity and Inclusion:

Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Accessibility and Accommodation:

If because of a medical condition, physical disability or a neurodiverse condition you require an adjustment during the recruitment process, please reach out to disabilities.austria@novartis.com and let us know the nature of your request as well as your contact information. The support which we can provide will include advice on suitable positions as well as guidance at all stages of the application process. Austrian law provides candidates the opportunity to involve the local disability representative, Behindertenvertrauensperson (BVP), in the application process. If you would like to request this, please let us know in advance as a note on your CV.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Unterstützungen für BewerberInnen mit Behinderungen

Wenn Sie aufgrund einer Erkrankung, einer körperlichen Behinderung oder eines neurodiversen Zustandes eine Unterstützung bei verschiedenen Teilen des Rekrutierungsprozesses benötigen, wenden Sie sich bitte an disabilities.austria@novartis.com und teilen Sie uns die Art Ihrer Anfrage sowie Ihre Kontaktinformationen mit. Unsere Unterstützung umfasst die Beratung zu geeigneten Positionen sowie die Begleitung bei allen Phasen des Bewerbungsprozesses. Das österreichische Gesetz sieht die Möglichkeit vor, die örtliche Behindertenvertrauensperson (BVP) in das Bewerbungsverfahren einzubeziehen. Wenn Sie dies wünschen, teilen Sie uns dies bitte vorab als Vermerk in Ihrem Lebenslauf mit.
