摘要

LOCATION: London, UK or Dublin, Rep of Ireland
ROLE TYPE: Hybrid Working, LI-Hybrid

Step into a role where operational excellence meets strategic impact.

As the IE Excellence, Coordination, Manager, you ' ll be the driving force behind the seamless execution of Integrated Evidence Plans (IEPs) that shape global medical strategies.

You ' ll partner closely with IEP Directors and cross-functional squads to embed structure, accountability, and innovation into every step of the process.

From optimizing platforms like GalaxIE to coordinating stakeholder engagement and portfolio-level reporting, your work will directly influence patient access and outcomes across diverse healthcare systems.

About the Role

Key Responsibilities

- Coordinate timelines, deliverables, workshops, and cross-functional inputs for product-specific IEP squads
- Manage stakeholder communications and ensure timely documentation and tracking of IEP activities
- Maintain and update IEP demand overview and tracking tools to reflect shifting priorities
- Support management of GalaxIE, our digital IEP application, overseeing access, adoption, updates, and troubleshooting
- Conduct data quality checks and collaborate with squad leads to resolve inaccuracies
- Organize and support working sessions, trainings, and stakeholder meetings with clear follow-ups
- Drive process improvements by collecting and applying feedback on IEP tools and workflows

Essential Requirements

- University or graduate degree, ideally in a scientific discipline
- Demonstratable experience in project management within pharma, healthcare, or agency settings
- Strong communication skills to convey complex concepts to diverse audiences
- Proven ability to meet tight deadlines in dynamic, global environments
- Skilled in organizing, prioritizing, and adapting to change
- Proficient in managing cross-functional relationships and facilitating meetings
