India

摘要

As an Area Sales Manager, you'll be at the forefront of driving regional growth and building lasting customer relationships. This is your opportunity to make a real impact by leading sales initiatives, identifying new business opportunities, and delivering results that matter. If you're passionate about creating value and thrive in a dynamic, remote environment, this role is your chance to shape success across the region.

About the Role

Job Title: Area Sales Manager

#LI-Remote

Location: Bangalore

Key Responsibilities

- Drive regional sales growth through strategic planning and execution
- Build and maintain strong relationships with key customers and stakeholders
- Identify new business opportunities to expand market presence
- Lead territory planning and forecasting to meet sales targets
- Collaborate with cross-functional teams to support product launches
- Monitor competitor activity and adjust strategies accordingly
- Provide regular sales performance updates to leadership

Role Requirements

 A bachelor's degree in life sciences, pharmacy, or business to support strong domain understanding

At least 5 years of proven success in pharmaceutical sales, with consistent target achievement

Demonstrated ability to build trust and influence through clear, confident communication Skilled in negotiating win-win outcomes and navigating complex customer needs Strong analytical mindset to interpret market trends and translate insights into action Comfortable using CRM platforms and reporting tools to manage performance and pipeline

Desirable Requirements

- Experience in oncology therapy sales or related therapeutic areas
- Familiarity with hospital-based oncology product launches and stakeholder engagement
