"We ' re a team of dedicated and smart people united by a drive to achieve together"

Are you ready to shape the future of legal operations across Europe?

Novartis is seeking a dynamic leader to head our Legal Operations team for Europe. In this pivotal role, you ' ll set the strategic direction, inspire and manage a talented team of professionals, and play an active part in our operational success.

As a key member of the Operations Legal Leadership Team, you ' ll collaborate across functions, drive impactful initiatives, and help ensure our legal operations deliver excellence throughout the region.

About the Role

Key Responsibilities:

- Lead and manage the Europe Operations Legal team, fostering a collaborative and high-performing environment.
- Oversee legal support for European manufacturing plants, ensuring compliance and operational excellence.
- Supervise legal activities related to the Prague-based service centre, providing guidance and oversight as required.
- Serve as a key contact for stakeholders across the European Technical Operations area, covering both small and large molecule operations.
- Facilitate effective collaboration with other legal teams, including Operations Transactions, REFFs, and International Legal, to ensure seamless cross-functional cooperation.

What We 're Looking For

Essential

- Extensive post-law qualification experience, ideally with time served working in a regulated pharmaceutical industry environment.
- Strong knowledge of pharmaceutical regulations within the EU
- Hands-on experience with GMP (Good Manufacturing Practice) principles, gained through experience in a pharma-relevant environment
- Solid background in contract law and general contract management
- Basic understanding of labor law
- Experience supporting procurement processes and organizing related activities

Desirable

- Proven ability to handle litigation and contract disputes
- Exposure to business development transactions and complex contracting, ideally including competition law
- Real estate legal experience (buy/sell, maintenance, construction)

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you.
