

Associate Clinical Development Medical Director (IB)

Job ID
REQ-10064819

10月 22, 2025

United Kingdom

摘要

Location: London, United Kingdom or Dublin, Ireland

Role type: Permanent and Hybrid Working, LI-Hybrid

Step into a role where your clinical expertise will shape the future of global healthcare innovation.

As an Associate Clinical Development Medical Director (IB), you ' ll be at the heart of trial strategy and execution, driving scientific excellence across multiple therapeutic areas.

You ' ll collaborate with cross-functional teams to ensure the highest standards of safety, data integrity, and regulatory compliance, while mentoring others and contributing to global initiatives.

This is your opportunity to make a meaningful impact on patients ' lives through cutting-edge research and development.

About the Role

Key Responsibilities

- Provide clinical oversight and input into trial documents and strategic development plans
- Contribute to regulatory documents including safety updates and submission dossiers
- Act as medical monitor, ensuring safety and scientific integrity of clinical trials
- Review clinical trial data and support final analysis and reporting
- Support benefit-risk assessments and contribute to safety management activities
- Mentor and coach clinical development team members to foster growth and collaboration
- Deliver medical/scientific training and represent the franchise in internal sessions
- Lead clinical trials as Clinical Scientific Lead, guiding all medical aspects

Essential Requirements

- Medical degree (MD or equivalent) with clinical training in internal medicine or a relevant sub-specialty
- Minimum 3 years of experience in clinical research or drug development across Phases I-IV
- At least 2 years of experience conducting global clinical trials in a pharmaceutical setting
- Proven ability to interpret and present clinical efficacy and safety data
- Strong understanding of GCP, clinical trial design, statistics, and regulatory processes
- Excellent communication, interpersonal, and stakeholder engagement skills
- Fluent in written and spoken English
