摘要

We are seeking a Quality Assurance professional to ensure GxP compliance, product quality, and adherence to Novartis Manufacturing Manual and regulatory standards. Responsibilities include managing quality systems, deviations, CAPAs, audits, training, and environmental monitoring. The role also supports product release, validation, and transfer projects while ensuring qualified facilities, business continuity, and compliance with HSE, DI, and eCompliance requirements. This is a 50% part-time position.

About the Role

Major accountabilities:

- Ensure compliance with Novartis Manufacturing Manual, GxP standards, and regulatory requirements.

- Oversee site quality systems, product quality, and local health authority registrations.
- Maintain qualified facilities and utilities; manage deviations, complaints, CAPAs, and environmental monitoring.
- Support PQR/APQR preparation, product release, validation, and transfer projects.
- Review and approve MBRs, specifications, SOPs, and other GxP documents.
- Drive training execution, data integrity, eCompliance, and adherence to HSE guidelines.
- Collaborate in audits and manage quality agreements with third parties.
- Ensure business continuity and compliance with all corporate and local legal requirements.

Essential Requirements:

- Microbiology or finalized apprenticeship in an area of the Pharmaceutical industry (e.g. chemical laboratory worker, chemical worker or related fields / internal specific education (‘ Modulausbildung ’) or equivalent
- Fluent in German and intermediate proficiency in English

You ´ ll receive:

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, childcare facilities, learning and development opportunities as well as worldwide career possibilities within the Novartis group. In accordance with Austrian law, we are obliged to disclose the minimum salary as stated in the collective bargaining agreement. For this position the minimum salary is **€ 59.781,96** /year (on a full-time basis). The actual salary will be significantly higher, as we strive to maintain a competitive position in the market and consider your previous experience, qualifications, and individual competencies.

Commitment to Diversity & Inclusion:

Novartis is committed to building an outstanding, inclusive working environment and diverse teams, representative of the patients and communities we serve.

Adjustments for Applicants with Disabilities:

If because of a medical condition, physical disability or a neurodiverse condition you require an adjustment during the recruitment process, please reach out to disabilities.austria@novartis.com and let us know the nature of your request as well as your contact information. The support which we can provide will include advice on suitable positions as well as guidance at all stages of the application process. Austrian law provides candidates the opportunity to involve the local disability representative, Behindertenvertrauensperson (BVP), in the application process. If you would like to request this, please let us know in advance as a note on your CV.
