

# Marketing Manager (f/m/d), TA: Immunology

Job ID REQ-10065636

11月 06, 2025

Austria

#### 摘要

#LI-Hybrid Location: Vienna, Austria

Define product strategy in agreement with local management and global marketing department and implement supporting tactical plans/projects. This role will own the go-to-market strategy, crossfunctional coordination, and performance optimization to drive awareness, adoption, and revenue.

About the Role

### Your key responsibilities:

- Developing go-to-market (GTM) strategy, including positioning, messaging, target segments and launch roadmap.
- Developing brand strategy, promotional campaigns & tactical plans within marketing budgets

- Responsible for execution, monitoring, and analysis of the agreed tactical plans and marketing mix in order to ensure the growth of the brand(s) according to their respective life cycle and business objectives.
- Leveraging digital channels to maximize OCE impact in close collaboration with the BEE team
- Displaying a learning mindset, interpret and apply external insights such as market dynamics, competitor insights, pipeline knowledge and customer insights.
- Apply all actions according to Novartis' values and behaviors

### What you'll bring to the role:

- Degree in business or life sciences is of benefit
- At least 3 years ' of proven matrix leadership within the pharmaceutical industry and the willingness to develop within the role for higher marketing responsibilities
- Analytical Skills: Ability to analyze and interpret complex data to make informed marketing decisions and forecast marketing trends.
- Leadership Skills: Proven ability for indirect leadership and manage a diverse team of cross functional professionals, fostering a positive work environment that encourages collaboration and creativity
- · Very strong communication skills in German and English

## You'll receive:

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, learning and development options as well as worldwide career opportunities within the Novartis group. In accordance with Austrian law, we are obliged to disclose the minimum salary. For this position the minimum salary is € 61.400/year (on a full-time basis). The actual salary will be higher, as we strive to maintain a competitive position in the market and consider your previous experience, qualifications, and individual competencies.

### Commitment to Diversity and Inclusion / EEO paragraph

Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

## Accessibility and Accommodation:

Accessibility and accommodation If because of a medical condition, physical disability or a neurodiverse condition you require an adjustment during the recruitment process, please reach out to disabilities.austria@novartis.com and let us know the nature of your request as well as your contact information. The support which we can provide will include advice on suitable positions as well as guidance at all stages of the application process. Austrian law provides candidates the opportunity to involve the local disability representative, Behindertenvertrauensperson (BVP), in the application process. If you would like to request this, please let us know in advance as a note on your CV.
