Join Novartis as a Senior Legal Manager and make a real impact across the Middle East and Africa. In this pivotal role, you ' ll act as a trusted legal advisor and business partner, shaping strategic decisions, managing complex contracts, and guiding risk assessments that influence the future of healthcare. You ' ll lead legal projects independently, support country teams, and mentor junior colleagues—helping us deliver innovative solutions with integrity and compliance at the core.

About the Role

Key Responsibilities

- Act as a trusted legal partner for country teams and business functions across MEA.
- Draft and negotiate complex contracts and transactions independently.
- Provide strategic legal advice and deliver targeted training on key legal topics.
- Identify and mitigate legal risks, ensuring early involvement in business decisions.
- Manage significant disputes, litigation, and investigations with autonomy.
- Mentor and guide junior legal counsels, paralegals, and support staff.
- Lead and develop legal resources to strengthen compliance and business support.

Essential Requirements

- Bachelor ' s degree in Law with strong academic foundation.
- Minimum 7 years post-qualification experience in legal practice or corporate counsel roles.
- Proven expertise in contract negotiation and complex legal risk assessment.
- Ability to manage litigation and investigations independently with sound judgment.
- Fluency in Arabic and English; French is an advantage.
- Strong stakeholder engagement and business partnering skills across diverse regions.

Desirable Requirements

- Experience working across multiple jurisdictions in the Middle East and Africa region.
- Proficiency in French to support broader regional engagement.
