

Clinical Research Associate - Maseeraty Graduate Program, UAE

Job ID
REQ-10067399

11月 21, 2025

Utd.Arab Emir.

摘要

To work with the Cross-Functional Team to implement Programs that target the needs of key opinion leaders and customers.

About the Role

Emirati Graduate Program Associate (Fixed Term Contract)

We are welcoming UAE National Talents to apply for our Novartis Emiratization Program which is a 12-month program that will provide you with real world experience that will allow you to put your theoretical learning into practice.

- Go through a thorough onboarding and understanding of Novartis ' different functions including but not limited to Sales & Marketing, Medical, Value & Access as well as support functions.
- Participate and lead key projects across the organization.
- Build your management skills.

Successful completion of the 12 months program gives the Emirati talents an opportunity to apply to permanent roles within the organization.

If you are a UAE National, hold a UAE Family Book and have received a Bachelor ' s Degree in the past 3 years and are passionate to join an organization that promotes an unbossed, diverse and flexible working environment; hurry and apply now on: uae.recruitment@novartis.com

What Does Work at Novartis Look Like?

- We are a diverse group of 200+ associates across the Gulf region, with more than 30 nationalities.
- We offer flexible working conditions with a hybrid working model which allows you to work from home during the working week.
- We have an inspired, curious and unbossed working environment led with integrity.
- We promote personal growth and career development opportunities
