India

摘要

Require highly experienced and meticulous Senior scientific editing who leads the editorial development of promotional marketing materials. The role requires deep scientific acumen, superior editorial judgement and the ability to ensure scientific accuracy, compliance and compelling storytelling across multichannel marketing assets. The ideal candidate will work in close collaboration with cross functional including marketing, content, creative and digital. The successful candidate must ensure clarity, consistency, accuracy and compliance of scientific marketing materials developed for healthcare professionals, patients and other stakeholders and maintain editorial excellence across all promotional materials.

About the Role

Location - Hyderabad #LI Hybrid

Key Accountabilities:

Copy Editing and Proofing

- Copy edit and proof-read a variety of scientific and promotional materials
- Ensure content is grammatically correct, scientifically accurate, consistent with brand tone and aligned with product label.
- Edit for clarity, flow and engagement while maintaining accuracy and compliance.
- Support the team in developing promotional material

Scientific fact-checking and referencing

- Validate scientific claims, data points and clinical outcomes using reputable sources.
- Apply AMA style and internal referencing standards consistently.
- Work with content writers and creative to resolve discrepancies and ambiguities

Regulatory and MLA compliance

- Ensure alignment with FDA promotional regulations, OPDP requirements and internal MLR processes
- Ensure content is consistent with latest approved product label (SmPC/PI)
- Support MLR submissions by conducting pre-review QC and implementing reviewer feedback

Editorial Operations and Process Excellence

- Maintain and enforce editorial style guides, version control and content QC checklist
- Collaborate with scientific writers, creative and digital team and content owners across the product lifecycle.
- Support continuous improvement of editorial workflows, templates and training

Essential Requirements:

Education:

- Bachelor's or Master ' s degree in Life sciences, English, Pharmacy or Journalism

Work Experience:

- Minimum 5-7 years of experience in copy editing, ideally in pharmaceutical marketing and medical communication
- Expert knowledge of AMA Manual of style
- Strong familiarity with regulatory and legal review processes in pharma (Veeva, Promo Mats or similar platforms). Background in editing content for US region
- Experience working in modular content or content adaptation models. Exposure to digital and

omnichannel content formats

- Precision and accuracy in editing
- Scientific literacy and fact-checking skills
- Collaboration and communication in cross functional teams. Time management and ability to prioritize under tight deadlines

Languages :

- Impeccable command of English with an eye for detail, nuance and scientific accuracy.
