

Medical Science Liaison - Riyadh

Job ID
REQ-10068864

12月 17, 2025

Saudi Arabia

摘要

To serve as a liaison to the medical/ scientific community and responsible for establishing, developing and partnering with Health Care Providers/ Professionals (HCPs), e.g. external Medical Experts, study investigators, treatment guideline experts, etc. to ensure the appropriate dissemination of clinical and scientific information regarding Novartis ' compounds in a timely, ethical and stakeholder-focused manner. To implement clinical and educational strategies in collaboration with other Novartis colleagues for designated stakeholders. To pair key stakeholders ' scientific educational and research needs with available Novartis resources and provide the latest emerging data in response to specific HCP inquiries, as appropriate.

#LI-Onsite

About the Role

Medical Expert Engagement

- Identify, map, and engage Medical Experts and study investigators in alignment with the Integrated Product Strategy (IPS).
- Share medical, scientific, and health outcomes evidence on Novartis compounds, therapeutic areas, and new treatment options with HCPs and key stakeholders.

Scientific Information & Requests

- Respond to unsolicited HCP requests by presenting globally approved data, including compounds in development.
- Involve HCPs in advisory boards, educational activities, and publications when relevant.

Clinical Research Support

- Educate on Novartis clinical research programs, recommend study sites, and support trial feasibility and accrual.
- Facilitate IIT submissions and material transfer agreements for independent research.

Scientific Exchange & Insights

- Promote scientific exchange on emerging principles and trends.
- Collect and report HCP insights to inform medical strategy and IPS planning.

Internal Contributions

- Act as a local medical resource for disease area and product training.
- Contribute to IPS and Medical Affairs strategy design and execution.

Compliance & Integrity

- Ensure adherence to all compliance processes (e.g., IIT, Medical Affairs Field Interactions).
- Foster a diverse, inclusive, and harassment-free environment.

Education & Communication

- Provide scientific and educational information to HCPs on patient-critical issues.
- Support internal capability building through training and knowledge sharing.

Minimum Requirements

- A degree in PharmD, PhD, MD (Medical Doctor) is essential.
- At least 1-year experience as Medical Science Liaison, specific experience in Cardiovascular or Oncology is a plus.
- Fluent in both Arabic and English languages.
- Willing to be based in Riyadh.
