### 摘要

Landscape mapping of alternative funding & pricing models in India/LMICs through secondary research and development of alternative funding dashboard

### About the Role

Major accountabilities:

- Compile list of all alternative funding models implemented by pharma companies in India and LMICs
- Collaborate with cross-functional teams including medical affairs, regulatory, and commercial to gather insights
- Participate in stakeholder interviews and workshops, where applicable.
- Liaise with external support partners (e.g., consulting firms, data vendors,

- access facilitators) to gather insights on alternative funding projects in India
- Develop dashboard on the existing alternative funding projects in India CPO
- Monitor the progress of outsourced tasks and maintain trackers for deliverables, timelines, and quality checks

Key performance indicators:

- Please enter specific details in the Additional Specifications Details field

Minimum Requirements:

Work Experience:

- NA.

Skills:

- Strong analytical and research skills with attention to detail and the ability to draw actionable insights.
- Excellent written and verbal communication skills; proficiency in Excel and PowerPoint
- Enthusiastic about healthcare policy, pricing strategies, and improving patient access
- Ability to work independently and manage multiple tasks effectively
- Must be comfortable being part of a team, with a proactive attitude and problem-solving mindset

Languages :

- English.
