### 摘要

Leads operational execution and alliance management for the Consumer Activation concept, which aims to drive mass-scale consumer engagement around heart health through a “gamified” ecosystem (e.g., interactive heart score, social community, rewards, AI Health Coach, and easy access to screening and therapy).

### About the Role

#### Key Responsibilities:

- Lead market research, partner mapping, and consumer insights initiatives to inform activation strategies.
- Lead exploratory conversations as well as assessment of strategic fit with consumer tech, wearable platform providers and other potential partners

- Oversee design and launch of heart score and consumer-facing digital platforms and engagement campaigns in close collaboration with partners and internal cross-functional team across RDC continuum
- Spearhead progress towards MoUs and partnering agreements; manage external partnerships and ensure continued strategic alignment
- Coordinate x-functional teams (marketing, medical, tech, analytics) to ensure seamless execution
- Track and report on KPIs related to consumer awareness, activation, and engagement
- Ensure compliance with regulatory and privacy requirements for consumer data
- Represent the initiative in external forums, conferences, and partnership meetings

#### Essential Requirements:

Education: Bachelor's degree in a related field is required; Master of Science, and/or MBA preferred

#### Work Experience:

- 8+ years in pharmaceutical, biotech, consumer healthcare, or healthcare consulting industry
- 8+ years in commercial strategy, alliance management or marketing roles within or outside the healthcare industry
- Experience with performance tracking, KPIs and analytics
- Entrepreneurial mindset with operational experience and high technology acumen
- Technology, consumer experience and/or product design experience
- Ability to lead and inspire cross-functional teams, manage complex projects, and drive consensus among diverse stakeholders

#### Desirable Requirements:

- Consumer healthcare experience

The salary for this position is expected to range between \$185,500.00 and \$344,500.00 per year.

The final salary offered is determined based on factors like, but not limited to, relevant skills and experience, and upon joining Novartis will be reviewed periodically. Novartis may change the published salary range based on company and market factors.

Your compensation will include a performance-based cash incentive and, depending on the level of the role, eligibility to be considered for annual equity awards.

US-based eligible employees will receive a comprehensive benefits package that includes health, life and disability benefits, a 401(k) with company contribution and match, and a variety of other benefits. In addition, employees are eligible for a generous time off package including vacation, personal days, holidays and other leaves.
