### 摘要

#LI-Hybrid

This role is based in Taipei, Taiwan. Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

This is a role equivalent to a local Brand Manager OR global/regional/local sub-function specialists within a specific marketing sub-function.

You will define product strategy in agreement with local management and global marketing department, and implement supporting tactical plans/projects.

In this role, you will report to the Business Lead.

About the Role

## Key Responsibilities:

- Prepare strategic content for Integrated Brand Teams and Launch Teams to support brand objectives.
- Execute, monitor, and analyze tactical plans to drive brand growth and ensure delivery of agreed outcomes.
- Lead the development of promotional activities in compliance with internal SOPs and Code of Conduct.
- Manage brand budgets, forecasts, and expenses, assessing the marketing mix for cost effectiveness and performance.
- Identify market insights and new opportunities through ongoing customer interactions.
- Implement centrally developed and regionally initiated marketing activities within the assigned territory.
- Monitor product performance and external market dynamics, taking corrective action to meet business goals.
- Collaborate with Marketing and Medical teams to maximize activities, including scouting centers/KOLs/OLs and identifying patient segment needs.

## Requirements:

- Proven experience in an international pharmaceutical company.
- New product launch experience in marketing.
- Minimum 3 years of marketing experience in the pharmaceutical industry. Strong cross-country networking and communication skills.
- Demonstrated expertise in Project Management and Operations Execution.
