摘要

Would you like to make a significant impact in the pharmaceutical industry by producing innovative products and aspire for career progression in Procurement? Join our Procurement team for the Headquarters Operations, based in Prague, and become a part of the transformative change in medicine!

About the Role:

In the role as Procurement Manager, you will plan and lead sourcing on a global level for the Marketing Category. You will lead the delivery of individual projects defined as part of the Annual Category Plan; focus on project delivery with activities including requirements gathering, market analysis, qualifying and selecting suppliers with the relevant Business Partners and stakeholders, as well as non-sourcing projects such as demand management and process improvement.

About the Role

Key Responsibilities:

- Implement global category strategy for the Marketing Category; directly deploy global category strategy at site level.
- Supervise the implementation of sourcing plans for the sub-category & deliver sub-category savings targets following engagement in the target setting process.
- Provide input into the overall Category segmentation and identification of key supplier relationships, control purchases with respect to supplier choice, timing and commercial conditions on a local basis (may vary between divisions depending on way spend is controlled).
- Manage strategic sub-category supplier relationships and implement consistent key performance indicators for the sub-category, and report on suppliers' performance.
- Collect supplier information and feedback from Divisions, countries, sites, Category teams and Business Partners, and deliver Procurement Balanced Scorecard metrics for the relevant sub-category.
- Create, apply, complete and review major contracts for the sub-category and ensure that negotiated contracts are clearly communicated for the sub-category area and that they are consistently applied
- Manage strategic sub-category supplier relationships and implement consistent key performance indicators for the sub-category, ensuring that any supplier performance risks and issues are resolved on a timely basis to end-user satisfaction.

Essential Requirements:

- 3 - 5 years of working experience in Procurement in Indirect categories in a global environment.
- Excellent communication and negotiation skills to manage senior stakeholders, internal teams and lead global negotiations with suppliers.
- Good understanding of operations and business culture of a multinational company.
- Ability to work in virtual teams and with remote stakeholders.
- Strong sense for independence and self-drive.
- Curious mind and high motivation to learn.
- Fluency in English.

Desirable Requirements:

- Experience within the Marketing category (creative agencies, media)
