

Postgraduate in Quality Compliance

Job ID
REQ-10072771

3月 05, 2026

Switzerland

摘要

Are you a proactive and motivated graduate in life sciences eager to gain hands-on experience in the pharmaceutical industry?

This position offers the opportunity to get closer to patients and the market while developing deep technical expertise in pharmaceutical products manufactured at Novartis Pharma Stein AG, while actively interacting with key functions such as Manufacturing, Quality Control, Quality Assurance, and Logistics.

About the Role

Location: Stein, Switzerland #LI-Hybrid

This Postgraduate internship is limited up to 1 year with the opportunity to start immediately.

Please note that we can only accept applicants who are eligible to work in Switzerland.

Key Responsibilities:

- Support in the managing technical complaints by driving the manufacturing investigation, supporting Site 's Subject Matter Experts and definition of precautionary measures
- Support continuous improvement of our activities, procedures and knowledge as well as experience sharing inside and outside the Manufacturing Site
- Support the preparation of Health Authority responses
- Administration of and communication with our stakeholders outside Novartis
- Administration of product samples delivered back from our customers for technical investigation

Essential Requirements:

- Education: Graduate in Pharmacy, Chemistry, Microbiology, Biotechnology or another related science
- Languages: German (spoken and written), English (spoken and written) is a must
- Initial experience with working in a pharmaceutical company is a plus
- Self-reliant
- Open-minded, reliable, independent w/o issues integrating in a team

Commitment to Diversity & Inclusion:

Novartis is committed to building an outstanding, inclusive work environment and diverse team 's representative of the patients and communities we serve.

Our recruitment decisions are based on selecting the best person for the job, regardless of gender, religion, age, color, race, sexual orientation, nationality or disability.

Accessibility and accommodation:

Novartis is committed to working with and providing reasonable accommodation to all individuals. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in order to receive more detailed information about the essential functions of a position, please send an e-mail to diversity.inclusionch@novartis.com, and let us know the nature of your request and your contact information. Please include the job requisition number in your message.

Application deadline: March 19 EOB.

Please submit a cover letter that includes your motivation for the position and from when you will be available.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives.
