

## Production Process Support Associate

Job ID  
REQ-10072931

3月 03, 2026

Netherlands

### 摘要

#LI-Hybrid

Location: Baarle Nassau, Netherlands

Relocation Support: This role is based in Baarle Nassau, Netherlands. Novartis is unable to offer relocation support: please only apply if accessible.

You will play a key role in keeping our production operations running smoothly every day, ensuring we can deliver high quality medicines to patients who rely on them. In this role, you ' ll be the trusted problem solver who supports deviation handling, drives process improvements, and contributes to meaningful operational projects. If you enjoy working close to the process, identifying root causes, and strengthening a culture of quality, this position offers a chance to make a real impact while continuously developing your technical expertise.

## About the Role

### Key Responsibilities

- Initiate and manage deviations to support compliant production processes.
- Lead investigations and perform thorough root cause analyses.
- Execute and track document changes to maintain process accuracy.
- Resolve first line production issues to ensure continuous operations.
- Support projects that strengthen production performance.
- Contribute to process optimization initiatives to enhance efficiency and quality.

### Essential Requirements

- A completed vocational or bachelor's degree in a technical or life science field such as Engineering, Biology, Medical Laboratory Research, or Chemical Analysis or similar area's
- Practical experience within a pharmaceutical or controlled production environment.
- Strong analytical abilities to identify improvement opportunities and support root cause investigations.
- High attention to detail and accuracy in daily operations and documentation tasks.

### Desirable Requirements

- Experience working in a Good Manufacturing Practice environment or in a production setting.
- Previous exposure to quality assurance processes or quality related responsibilities.

### Commitment To Diversity And Inclusion

Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>

Benefits and Rewards: Learn about all the ways we'll help you thrive personally and professionally. [Read our handbook \(PDF 30 MB\)](#)
