Location: Hyderabad, India

Ready to turn our environmental commitments into real, measurable progress? In this role, you ' ll work on the end-to-end delivery of environmental sustainability programs that help Novartis achieve its ambition to be net-zero by 2040 and contribute toward a nature-positive world. You ' ll bring structure and momentum to complex initiatives: setting governance, aligning cross-functional stakeholders and keeping delivery on track, while translating data and progress into clear updates for senior leaders and external reporting.

About the Role

Key Responsibilities

- Deliver environmental sustainability goals across climate and nature
- Actively support in limited and reasonable assurance of environmental sustainability indicators in line with relevant standards
- Drive sustainable sourcing initiatives across Operations to reduce environmental impact across the value chain
- Work closely with internal teams and external partners to identify solutions and manage their implementation of such programs end to end
- Turn data and insights into clear messages for senior leaders, adapting plans based on feedback and priorities
- Contribute to external sustainability reporting and environmental ratings submissions, such as climate and sustainability disclosures
- Support training and communication activities that build environmental sustainability knowledge and skills across teams

Essential Requirements

- Advanced university degree (MBA / PhD) in engineering, technology or a related technical field
- Over six years of relevant experience delivering environmental sustainability initiatives in global organizations
- Strong understanding of the pharmaceutical value chain, including manufacturing, sourcing, and packaging activities
- Proven experience managing programs or projects across multiple teams and stakeholders
- Ability to translate complex data into clear insights for senior leadership decision making
- Strong communication skills and confidence working in a global, matrix environment
- Fluent spoken and written English

Desirable Requirements

- Working knowledge of additional languages such as German, French, Spanish, or Mandarin

Commitment to Diversity and Inclusion

Novartis is committed to building an outstanding, inclusive work environment and diverse team representative of the patients and communities we serve.

Accessibility and Accommodation

Novartis is committed to working with and providing reasonable accommodation to individuals with disabilities.
