

## Quality Assurance Operations Specialist

Job ID  
REQ-10077272

5月 29, 2026

Austria

### 摘要

The QA Operations Specialist is responsible for providing quality assurance support for drug substance manufacturing activities, with a strong focus on batch record review and GMP compliance. The role ensures timely and compliant batch release, supports investigations and audits, and contributes to maintaining the Novartis Quality Management System.

### About the Role

#### Key Responsibilities

- Review and approval of batch manufacturing records as part of the batch release process
- Review and assessment of analytical results, certificates, and specifications
- Control and verification of batch documentation and quality records
- Support audits, inspections, and regulatory interactions, investigations related to deviations, OOS/OOE, and complaints

- Support CAPA management activities and changes to processes, documentation, and quality requirements
- Preparation and review of certificates, reports, and quality-related lists
- Communication and coordination with internal departments and external partners
- Execution of tasks in a timely, efficient, and GMP compliant manner

Obligatory requirements:

- Solid experience in a pharmaceutical or GMP regulated environment.
- Experience in Quality Assurance or quality control is preferred.
- Strong knowledge of GMP requirements.
- Results driven mindset with continuous improvement focus
- Strong customer focus and communication skills
- Fluent in German, basic English

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, childcare facilities, learning and development opportunities as well as worldwide career possibilities within the Novartis group.

In accordance with Austrian law, we are obliged to disclose the minimum salary as stated in the collective bargaining agreement. For this position the minimum salary is € 47.532,24/year (on a full-time basis). We also offer a potential market oriented excess payment in line with your experience and qualifications.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you.
