摘要

#LI-Hybrid
Location: Prague, Czech Republic

This role is based in Prague, Czech Republic. Novartis is unable to offer relocation support for this role: please only apply if this location is accessible for you.

The Commercial Portfolio Head maximises portfolio value generation and access through innovative go-to-market models, commercial partnerships, and lifecycle management. The role ensures efficient collaboration with above- and in-country stakeholders to execute strategies effectively within resource-constrained environments.

About the Role

Key responsibilities

- Identify, evaluate, negotiate, and manage strategic partnerships and alliances to enhance portfolio value and ensure long-term mutual benefit.
- Lead and scale international collaboration projects, assessing opportunities for expansion at regional and global levels.
- Drive digital marketing execution including channel optimization, content governance, and leveraging digital assets to support brand performance.
- Collaborate with TA Heads and cross-functional teams to align digital strategies and maximize synergy across priority brands.
- Own lifecycle management strategies including LoE planning, brand onboarding, and implementation of late-stage tactics to sustain value.
- Coordinate cross-functional collaboration (Legal, Finance, Supply Chain, Regulatory) to anticipate and manage post-LoE erosion and operational transitions.
- Manage portfolio financials including budgeting, forecasting, and performance monitoring aligned with investment guidelines.
- Monitor brand performance and market trends, enabling data-driven decisions and performance vigilance across the portfolio.
- Ensure operational excellence by managing ad hoc business requirements, regulatory alignment, and supply continuity to minimize stock-outs and inefficiencies.
- Lead cross-functional teams to execute priorities while fostering collaboration across complex stakeholder environments.
- Build and develop high-performing teams, driving talent development, succession planning, and a strong performance culture.
- Role model Novartis leadership behaviors, driving transformation, accountability, and a growth mindset across the organization.

Requirements

- University degree in science or business; advanced degree preferred; fluent English required with local language desirable; 10+ years leadership experience in pharma or life sciences.
- Proven track record of P&L ownership and commercial portfolio management.
- Extensive experience managing mature brand portfolios including lifecycle management and LoE strategies.
- Strong expertise in building and managing partnerships (co-promotion, distribution, licensing) with measurable outcomes.
- Solid understanding of digital marketing in regulated environments, including content governance and performance analytics.
- Proven ability to lead cross-functional teams and navigate complex stakeholder ecosystems.
- Strong strategic decision-making capabilities with prioritization frameworks and resource optimization skills.
- Demonstrated matrix leadership with experience building high-performing teams and driving talent development.
- Enterprise mindset with focus on long-term portfolio value and sustainability.
- Strong results orientation with disciplined resource management and ROI focus.
