摘要

Medical Science Liaison
Location: Selangor

#LI -Onsite

As a Medical Science Liaison, you will identify, map, and engage Medical Experts and Key Accounts in alignment with country medical strategy. You will support scientific exchange, clinical research activities, and cross-functional collaboration while ensuring all activities are conducted in line with ethics and compliance standards.

About the Role

Major accountabilities:

- Identify, map, and prioritize Medical Experts and Key Accounts based on scientific and medical needs.
- Develop and execute Medical Expert engagement plans aligned with country medical strategy.
- Respond appropriately to unsolicited requests for medical information from Medical Experts.
- Collect impactful insights from Medical Experts to inform and shape medical strategy.
- Support clinical research programs, optimize trial execution, and provide scientific educational support to potential and active study sites in collaboration with clinical operations.
- Facilitate Investigator Initiated Trial processes upon investigator request.
- Serve as a medical resource for disease area and compound or product training for field matrix colleagues.

Requirements:

- Medical Degree, PhD or Pharmacy qualification
- Relevant Medical Scientific Liaison experience, preferably in Cardiovascular
- Strong operational discipline with the ability to execute medical plans and priorities.
- Scientific credibility and the ability to engage Medical Experts through meaningful scientific exchange.
- Strong communication, stakeholder engagement, and insight-gathering skills.
- Must be willing to travel

Commitment to Diversity and Inclusion

Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>

Benefits and Rewards: Learn about all the ways we'll help you thrive personally and professionally. [Read our handbook \(PDF 30 MB\)](#)
