Reimagining Medicine Starts With Our People

Looking for an opportunity to make an impact in a global organization? At Novartis, we are reimagining medicine, and our People & Organization team plays a key role in enabling that mission.

As a Time Service Delivery Expert (temporary), you will support the delivery of critical time management services, provide solutions to employee inquiries, and help optimize processes that enhance the employee experience.

This temporary position, running through June 2027, offers the opportunity to develop your expertise, collaborate with international teams, and contribute to a purpose-driven organization committed to improving and extending people's lives.

About the Role

Key Responsibilities

- Deliver high-quality time management services while ensuring accuracy, compliance, and adherence to service level agreements
- Manage employee and manager inquiries, resolving service requests and escalating complex cases when needed
- Support Workday Time processes, user administration activities, and access management requests
- Analyze service tickets, identify root causes, and contribute to timely issue resolution
- Provide guidance and training to stakeholders on time management processes, policies, and tools
- Support personnel cost budgeting activities and perform efficiency and productivity analyses
- Contribute to continuous improvement initiatives that enhance employee experience and operational effectiveness

Essential Requirements

- Experience supporting Human Resources operations, service delivery, or employee support processes
- Working knowledge of Workday Time and time management processes
- Advanced Microsoft Excel skills with the ability to analyze and report data accurately
- Strong problem-solving skills with experience managing service requests and resolving operational issues
- Fluency in English and Spanish with excellent communication and stakeholder management abilities

Desirable Requirements

- Proficiency in Portuguese and experience supporting a multicultural or regional workforce is a

plus.

- Experience working with Human Resources service management tools, ticketing systems, and service level agreements

Commitment to Diversity & Inclusion

Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.
