#LI-Hybrid

Location: Mexico City, Mexico

Relocation Support: This role is based in Mexico City, Mexico. Novartis is unable to offer relocation support: please only apply if accessible.

### About the Role

Great employee experiences start with efficient, compliant, and customer-focused processes. As a Travel and Expense Senior Specialist, you will play a critical role in ensuring the seamless execution of Travel & Expense operations while driving accuracy, compliance, and continuous improvement.

## About the Role

### Key Responsibilities

- Review and process expense reports to ensure accuracy, compliance, and timely reimbursement
- Serve as a subject matter expert for Travel & Expense processes, systems, and policy guidance
- Ensure compliance with global and local policies applicable to the Travel & Expense process
- Perform reconciliations, financial analysis, and month-end closing activities
- Identify and implement process improvements, automation opportunities, and efficiency initiatives
- Partner with cross-functional stakeholders to resolve issues, manage risks, and ensure strong financial controls
- Monitor, analyze, and report Travel & Expense, process KPIs, identifying trends, deviations, and improvement opportunities

### Essential Requirements

- Bachelor's degree in finance, Accounting, or a related field
- Experience in finance operations, Travel and Expense, accounts payable, or procure-to-pay processes
- Strong analytical skills with experience in financial reporting, reconciliations, and data analysis
- Ability to strategically analyze data, identify trends and improvement opportunities, and collaborate on automation, artificial intelligence, and process optimization initiatives.
- Knowledge of internal controls, compliance requirements, and audit support activities
- Advanced English skills with the ability to communicate effectively with global stakeholders

### Desirable Requirements

- Experience SAP S/4HANA, Concur, AppZen, or other financial and expense management systems
- Experience participating in process improvement, automation, or global transformation initiatives
