

Associate Director - Solution Architect - Content Platforms

Job ID
REQ-10084022

7月 27, 2026

Spain

Available in: English

摘要

We are seeking a Content Enablement Solution Architect to join our dynamic team. In this role, you will help shape and deliver innovative Content Enablement (MLR & DAM, Authoring, Planning) products for Novartis International business teams.

Your primary responsibility will be to deliver robust business use case 's, solutions and innovative approaches that drive outstanding Customer Experiences.

You would be working closely with Novartis International Content Enablement business teams, Internal Enterprise architects, External vendor/product teams applying their expertise to build solutions that align with our client needs.

We are looking for a team member, who can bring new insights, be proactive and have a desire to deliver business value.

Join us in revolutionizing Content capabilities and be part of a passionate team dedicated to making a

difference.

About the Role

#LI-Hybrid

Location: Barcelona

Key Responsibilities

- Lead end-to-end Architecture of Content Enablement product solutions across the content lifecycle.
- Own Architecture of Content Enablement product solutions Aprimo, Activator, Wrike, Screen Dragon Content planning applications, Enterprise Integrations, Mobile App, DoXign & UAM (User Access Management), Taxonomy (Claravine, EBX, Reltio) Applications.
- Define end-to-end architecture for Content Enablement platforms (Content Planning, MLR, DAM, Authoring, Distribution or Integrations & Data Analytics.)
- Lead solution design across systems such as Veeva, Aprimo, Anthill Activator, Wrike, and custom integrations including SAAS and AI applications.
- Ensure alignment with enterprise architecture principles, security, and compliance requirements. Drive integration strategy across platforms using APIs, middleware, and event-driven architecture.
- Collaborate with business, product, and engineering teams to translate requirements into scalable solutions. Own architecture governance including design reviews, standards, and documentation
Ensure performance, scalability, and reliability of solutions across international markets
- Drive program and project execution ensuring scope, timeline, quality, and budget adherence. Coordinate across cross-functional teams including architects, engineers, product owners, vendors, and business stakeholders.
- Ensure alignment with novartis standards and governance processes. Drive Agile/DevOps delivery practices and continuous improvement initiatives. Manage risks, dependencies, and issue resolution proactively.
- Ensure compliance with regulatory, security, and audit requirements. Lead release planning, change management, and environment management activities.
- Have a long-term vision on the architecture for the Content Enablement portfolio and seamless connectivity. Bring new ways of integrating with MCP for agents. Collaborate with the Enterprise Architecture and the solution architects' team.

Essential Requirement :

- Bachelor's or master ' s degree in information technology, Computer Science, Engineering, or related discipline. Proven Experience on Aprimo, Activator, Wrike, Screen Dragon Content planning applications, Enterprise Integrations, Mobile App, DoXign & UAM (User Access Management), Claravine, EBX, Reltio Applications Apis.
- Experience in integrating SAAS platforms. Strong working experience in content platforms (e.g., Veeva Vault, Aprimo, Wrike, Anthill Activator. Expertise in integration technologies

(REST APIs, Axway API Gateway, Mulesoft, Boomi, Axway MFT, SOLACE)

- Experience in cloud platforms (AWS, Azure) and microservices architectures. Knowledge of data architecture and analytics platforms (Snowflake, QlikSense, Power BI)
- Experience with Content Enablement MLR & DAM platforms (Aprimo, Veeva PromoMats). Strong experience in MLR workflow, DAM configurations, taxonomy configurations.
- Experience working with global stakeholders and managing distributed teams
- Strong leadership, communication, and stakeholder management skills
- Ability to manage complex delivery landscapes and multiple parallel initiatives
- Strong program and project management experience (Agile, Kanban, hybrid models). Strong understanding of MCP

Desirable Requirement:

- Aprimo, API Gateway, Architecture certifications. Knowledge of Content Planning and Content authoring processes.
- Experience supporting international and multi-market deployments. Experience working in the pharmaceutical industry. Strong understanding of Aprimo native configurations & product capabilities.

Benefits & Rewards

At Novartis, we're committed to reimagining medicine together - and rewarding the people who make it happen.

Expected Annual Base Salary Range for role: 57,900.00 - 82,700.00 - 107,500.00 EUR Annual

The base salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

In addition to your base salary, you may be eligible for a performance-based bonus depending on certain performance parameters.

The rewards of being part of our team go far beyond base pay and incentives. We also offer a variety of competitive benefits in kind to help you thrive personally and professionally, such as insurance plans, retirement plans, wellbeing resources and global recognition programs. In addition, we provide flexible and hybrid working options, where possible, and minimum 14 weeks paid parental leave.

Pay equity is a fundamental principle of our employment policy and reflects our commitment to create a diverse, equitable and inclusive environment that treats all employees with dignity and respect, as outlined in our Code of Ethics.

Read our brochure to learn more about our global total rewards offering:

<https://www.novartis.com/sites/novartiscom/files/novartis-life-handbook.pdf>

Note: Benefits and compensation may vary by country and are subject to local legal requirements, including provisions of collective bargaining agreements where applicable. A full overview of your compensation package, including any relevant collective bargaining agreement details applicable to your role based on your employment location and Novartis employer entity, will be communicated separately to you during the application process.

Commitment to Diversity & Inclusion:

We are committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>

Benefits and Rewards: Learn about all the ways we'll help you thrive personally and professionally. [Read our handbook \(PDF 30 MB\)](#)
