Location: Warsaw, Poland

Relocation Support: This role is based in Warsaw, Poland. Novartis is unable to offer relocation support: please only apply if accessible.

Imagine using your expertise to bring innovative hematology therapies to patients who need them most. As a Brand Manager | Hematology at Novartis, you will play a pivotal role in shaping brand strategy, driving impactful launches and campaigns, and advancing patient outcomes through innovative and data-driven approaches. Working closely with cross-functional teams, you will transform insights into action, create meaningful customer and patient engagement, and help accelerate access to breakthrough treatments. This is an exciting opportunity for a strategic and collaborative marketer who is passionate about making a real difference in patients' lives while contributing to the continued success of a purpose-driven organization.

About the Role

Key Responsibilities

- Own and execute the hematology brand strategy, adapting global priorities into impactful local initiatives.
- Design and deliver omnichannel campaigns that enhance customer engagement and brand performance.
- Analyze market trends, customer insights, and performance data to optimize strategic decisions.
- Collaborate closely with Sales, Medical, and Value & Access teams to achieve brand objectives.
- Drive accurate forecasting, demand planning, and effective budget management.
- Develop customer segmentation strategies and tailored messaging to maximize commercial impact.
- Ensure all brand activities comply with Novartis policies and applicable industry regulations.

Essential Requirements

- University degree in life sciences, marketing, business, or a related field.
- Proven experience in pharmaceutical brand management, product marketing, or related commercial roles.
- Strong understanding of healthcare systems, customer needs, and pharmaceutical market dynamics.
- Demonstrated success in developing and executing data-driven brand strategies and campaigns.
- Experience working effectively in cross-functional, matrix organizations with diverse stakeholders.
- Strong analytical, strategic thinking, forecasting, and budget management capabilities.
- Experience creating communications and engagement initiatives for both healthcare professionals and patients.
- Excellent English communication skills, with the ability to influence and collaborate across functions.
- Outstanding presentation skills and confidence delivering impactful messages to varied audiences.

Desirable Requirements

- Experience working within an innovative pharmaceutical company environment.
- Experience supporting or managing drug reimbursement and treatment access programs.
- Experience in rare diseases; experience in hematology and/or oncology is highly valued.
- Experience managing and growing originator or branded medicines rather than generic products.
- Knowledge of launch excellence principles and experience supporting product launches.

Rewards

At Novartis, we're committed to reimagining medicine together - and rewarding the people who make it happen.

Expected Annual Base Salary Range for role:

- Poland: PLN 174,500 - 324,100

The salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

The rewards of being part of our team go far beyond base pay and incentives. We also offer a variety of competitive benefits in kind to help you thrive personally and professionally, such as insurance plans, retirement plans, wellbeing resources and global recognition programs. In addition, we provide flexible and hybrid working options, where possible, and minimum 14 weeks paid parental leave.

You will be eligible for a company vehicle or a car allowance in accordance with the applicable local Novartis policies and guidelines.

Pay equity is a fundamental principle of our employment policy and reflects our commitment to create a diverse, equitable and inclusive environment that treats all employees with dignity and respect, as outlined in our Code of Ethics.
