摘要

We are seeking a Process Expert to join our Drug Substance Schafftenau team. In this role, you will play a key part in ensuring the safe, efficient, and compliant manufacture of high-quality products.

As a Subject Matter Expert (SME), you will support manufacturing operations through equipment qualification, cleanroom management, deviation handling, and the maintenance of GMP-compliant documentation. Working closely with cross-functional stakeholders, you will drive continuous improvement initiatives, support regulatory inspections, and contribute to operational excellence in a dynamic and innovative manufacturing environment.

#LI-Hybrid

Location: Schafftenau, Tirol, Austria.

Relocation Support: This role is based in Schafftenau Austria. Novartis is unable to offer relocation support: please only apply if accessible.

About the Role

Major accountabilities:

- Ensure manufacturing of high quality products on time, safe and efficient in the area of responsibility within the Process Support Unit.
- Coordinate equipment qualification and cleanroom-related activities.
- Manage local administration of service providers for cleaning and gowning.
- Handle deviations, implement and coordinate defined actions, and implement approved change requests.
- Create and maintain life-cycle documents to ensure compliance, accuracy, and inspection readiness.
- Represent the company as a Subject Matter Expert (SME) during Health Authority (HA) inspections.
- Collaborate with cross-functional departments and manage stakeholders to align expectations and resolve issues efficiently.
- Collaborate on and manage improvement projects in the production environment.
- Demonstrate a strong awareness of quality and a proactive, self-directed work approach.

Essential requirements:

- Minimum Bachelor ' s degree or equivalent in Process Engineering, Biotechnology, Biology, Chemistry, Pharmacy, or a comparable field.
- Team player with good communication skills and confidence working in diverse teams.
- Proficiency in English, both spoken and written; native German speaker.

Desirable Qualifications:

- Previous experience in the pharmaceutical industry.
- Good technical understanding and affinity for automation.
- Self-driven and independent working style, with the ability to take ownership of topics from initiation to completion.

Rewards
