摘要

Are you passionate about transforming data into action, enabling high-performing teams, and driving operational excellence in a complex and fast-paced environment?
At Novartis Portugal, we're looking for a Field Excellence Manager to play a pivotal role in strengthening data-driven and compliant field execution across our Commercial and Value & Access organizations. This is a unique opportunity to sit at the intersection of analytics, field operations, CRM enablement, incentives, and digital transformation.

About the Role

What you'll do

- Own the end-to-end field incentive process, from analytics and performance measurement to governance, calculations, and continuous optimization, enabling high-performing field teams
- Drive territory design, call planning, and field force effectiveness

Lead CRM and field platform enablement, including AI-powered capabilities
Partner with Commercial, V&A, Finance, Integrated Insights, and DAP teams
Simplify, automate, and continuously improve field execution processes

What we're looking for

- 5-7 years ' experience in Field Excellence, Commercial Operations, Sales Force Effectiveness, CRM, or advanced analytics
- Strong analytical mindset with the ability to translate insights into business impact
- Hands-on expertise in CRM platforms, incentive schemes, and field force operations
- Excellent stakeholder management and influencing skills
- Passion for continuous improvement, innovation, and digital transformation
- University degree in business, management, finance, engineering, life sciences, economics or a related field
