NOVARTIS

Patient Safety Specialist, Gulf Cluster

Job ID
REQ-10091705

十一月 09, 2026

Utd.Arab Emir.

摘要

Ready to play a critical role in protecting patients and advancing healthcare across the Gulf Cluster?

As a Patient Safety Specialist, you will be at the heart of Novartis' commitment to patient safety, ensuring vital safety information is collected, assessed, and reported with the highest standards of quality and compliance. Working closely with local and global colleagues, you will help strengthen pharmacovigilance processes, drive a culture of vigilance, and contribute to bringing innovative medicines to patients safely.

If you are passionate about making a meaningful impact through operational excellence and collaboration, we would love to hear from you.

#LI-Hybrid

Relocation Support: This role is based in Dubai, UAE. Novartis is unable to offer relocation support, please only apply if accessible.

About the Role

Key Responsibilities

- Manage adverse event reporting activities across marketed and investigational Novartis products.
- Ensure accurate, timely collection, processing, and documentation of patient safety information.
- Coordinate submission of safety reports to health authorities and relevant stakeholders.
- Maintain compliance with local regulations and global patient safety requirements.
- Partner with cross-functional teams to support safety-related programs and initiatives.
- Manage patient safety agreements and ensure appropriate vigilance provisions are implemented.
- Deliver patient safety training and promote a strong culture of vigilance.
- Support audits, inspections, compliance reporting, and continuous process improvement.

Essential Requirements

- Degree in Medical or Pharmacy.
- Minimum 2 years of experience in patient safety or pharmacovigilance is preferrable.
- Knowledge of national and international pharmacovigilance regulations and requirements.
- Understanding of medical and pharmacological terminology.
- Strong communication and stakeholder management skills.
- High attention to detail with a focus on quality and compliance.
- Fluent written and spoken English and Arabic is mandatory.

Join us and help reimagine medicine for patients in Gulf Cluster.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients ' lives.
