- Support collection, analysis and submission of the Key Performance Indicators from Novartis businesses to Global CTC function
- Advising business partners on customs classification and international trade compliance requirements.
- Preparing and presenting reports on customs and trade compliance matters.
- Supporting collection, analysis, and submission of trade compliance key performance indicators.
- Collaborating with internal stakeholders to ensure compliance with customs and trade regulations.
- Identifying and escalating compliance risks to management and Global Customs and Trade Compliance teams.
- Contributing to continuous improvement of customs and trade compliance processes.
- Supporting Health, Safety and Environment requirements and professional development objectives.

Essential Requirements:

- University degree in Economics, Business Administration, International Trade, Supply Chain, or another relevant field.
- Minimum 3 years of experience in an international trade, customs, or trade compliance function.
- Strong knowledge of origin determination, customs regulations.
- Experience with customs classification and international trade compliance processes
- Proficiency in Microsoft Office applications.
- Fluent written and spoken English.
- Strong analytical skills with a high level of accuracy and attention to detail.
- Excellent communication skills and ability to collaborate with stakeholders across different functions and levels.

Desirable Requirements:

- Experience working within a global or multinational organization.
- Knowledge of international export licensing processes and trade compliance reporting.
